

IN LOVING MEMORY OF

Brian NORTH

JUNE 6, 1965-JUNE 2, 2025

The Directors, Officers, and Employees of Fifth District Savings Bank are saddened by the death of our President and CEO, Brian William North. Brian passed away on Monday, June 2, 2025. Brian North joined Fifth District in 1988 and quickly made notable contributions to the success of the Bank. Brian was appointed President and CEO in 2016. His leadership skills, dedication to excellence, and positive attitude fostered a warm and welcoming atmosphere among his colleagues and customers. The management team that he assembled and trusted is long-tenured and deeply committed to his conservative, community-based banking philosophy. Brian's legacy will be carried on by his management team which will continue to lead a strong, successful, and well-capitalized Bank. On behalf of the entire Fifth District family, we extend our heartfelt condolences to his dedicated wife, Sueann, his children, and the entire North Family.
